Out of courtesy, please try your best to honor your appointments when you have booked them. I understand that emergencies can and do happen, but, if possible, please inform me the day before your appointment if you are not able to make it so that I am able to fill your slot. Last minute cancellations or no shows are problematic for me.

Regarding payment, you may pay cash, or you may also do a bank transfer. Whatever is easier for you. Please chat to me if you would like to pay in advance or if you would like to pay in arrears at the end of the month.

An extra note on Play Therapy / Interventions. I find it much better for children that are younger than 12 years of age to see me at my practice because they are then able to make use of my playroom and choose what they would like to do during their session, if I see them at school, I am limited to whatever I take with for them to play with.

If you have any queries or would like to ask anything, please feel free to do so. I look forward to working with you.

Yours faithfully,

Shelley Vermaak
